WNC Bridge Foundation Congratulates our 2024 Health Scholarship Recipients

Each year we award \$1,500 scholarships to 36 outstanding high school seniors who are pursuing health related occupations. Health Scholarships are granted throughout the 18 counties we serve in Western North Carolina.

WNC Bridge Foundation is committed to meeting the health challenges that face our region. We believe a crucial component of that commitment is to ensure our communities have exceptional healthcare workers.

Join us in congratulating these outstanding graduates!
