HOW THE PROCESS WORKS

Inventory & Valuation | Every item is carefully inventoried and priced. In cases where there are questions about valuation, we consult with outside experts to ensure appropriate and fair market pricing.

Seller Approval | Transparency is a priority. We send a complete inventory with pricing via email for your review and approval prior to the scheduled sale date.

The Sale Event | Sales are held bi-weekly at our Asheville showroom, running Thursday through Saturday. Items are sold at full price on the first day, with staged price reductions on the following days to ensure maximum liquidation.

COSTS AND PARTNERSHIP

We operate on a straightforward 50-50 model. Proceeds from the sale are divided equally between the seller and the WNC Bridge Foundation. There are no additional fees for our services. This provides a clear financial arrangement with no upfront costs to you.
